

**\*\*\*Attention Employers\*\*\***

**RATES AND NEW LOOK**

After more than 20 years, the Government Insurance Fund was granted a rate increase in order to stabilize the “Fund” and keep pace with rising healthcare cost. The increase will be phased in over the next four (4) years as outlined in our new rate booklet.

To assist you, we have improved the “Employer’s Report to the Commissioner of Finance” found on the Department of Finance website ([dof.vi.gov](http://dof.vi.gov)) by adding an auto-fill feature to the Classification of Employees section.

To complete:

1. Select the **RED** report to complete your **“ACTUAL”** report for 2019. **(fill red boxes only)**
2. Select the **BLACK** report to complete your **“ESTIMATE”** report for 2020. **(fill gray boxes only)**
3. Send to [governmentinsurance@dof.vi.gov](mailto:governmentinsurance@dof.vi.gov) if you choose to file via email

If you have any questions, please call us at (340) 773-1105 in St. Croix or (340) 774-4750 in St. Thomas and St. John.

Thank you.
